

## Students to Register In L. A. City Schools

A three day registration period for all elementary school pupils planning to attend one of the 375 schools in the Los Angeles city system for the first time will be held prior to the opening of the 1955-56 school year September 12.

Beginning Tuesday, Sept. 6, principals will pre-register new students... both for kindergarten and higher grades... from 8:30 a.m. to 3:30 p.m. in preparation for opening of the school year one week later, through Thursday, Sept. 8.

All students—other than kindergarten or first grade—planning to enter a Los Angeles city school from a school outside the city or state, or from another school within the city system, need only their last report card to indicate grade to which they have been promoted.

Children who will return to the same school they attended in June are being asked not to pre-register.

**Requirements**

Kindergarten and first grade students, however, must meet the following requirements prescribed by state law.

Pupils entering kindergarten for the first time must be five years of age on or before December 1, 1955. Pupils entering the first grade must have reached their sixth birthday on or before the December 1st date.

All students being pre-registered must be accompanied by a parent, guardian or other responsible adult.

For convenience of parents employed, children may be registered by an adult so designated by the parents. This person, however, will be allowed to present the child or children of only one additional family other than his own.

**Documents**

In order to complete registration, one of the following documentary forms must be presented showing evidence of age, birth certificate, baptism certificate duly attested, passport, health office or vital statistics record of birth date, or affidavit of parent or guardian indicating birth date and statement that other proof is not readily available.

All kindergarten pupils will be enrolled on the first day of school on the basis of age, with older students taking precedence regardless of registration date.

In addition, pupils who pre-register must attend school on the first day, Monday, Sept. 12, in order to be enrolled.

Waiting List

Should registration list exceed facilities, waiting lists will be established in order of registration, with children to be enrolled from these lists when vacancies occur in classes. However, this situation is expected to prevail only in a few scattered areas where population is rapidly increasing.

Only exception to the enrollment procedure, according to school administrators, is in the case of a student already enrolled in another kindergarten within the city system transferring to another school. These individuals will be admitted to kindergarten classes immediately, regardless of age.

Parents seeking additional detailed information are being asked to call or visit their nearest elementary school. Principals and clerks will be on duty beginning Thursday, Sept. 1.

## Time Near for Journey to Disneyland

All playground tournaments will close Friday, August 19, and winners of the Disneyland tour will be announced at that time. This tour, set for August 24, has been made possible by the Mayfair Creamery of Torrance.

One boy and girl from each of the 11 playground areas will board the bus in front of the Civic Auditorium Wednesday morning, August 24, at 8 a.m. sharp. The group will return at approximately 6 p.m., and parents are requested to pick

their children up at this time in front of the Civic Auditorium.

Eleven directors will accompany the children for supervision.

The Disneyland management does not allow lunches to be brought in the park, so children will not bring lunch. The Recreation Department will see that all the youngsters receive something to eat, it was reported.

The Disneyland tour is eagerly awaited and anticipated by all the tournament leaders on the playground areas.
